Flying Start Online ...

A virtual online system providing hundreds of resources for current students and graduates. There are thousands of student and graduate members that are supported by hundreds of mentors and experts allowing this online resource to provide the tools and help to make it happen.

Flying Start Online is completely FREE just hit the register on

www.flyingstart-ncge.com

The system opens national, regional and University networks so that you can get the help and support that is available for you.

The System includes:

- **Money** – A section on Money, what it is? Where to find it? And how to get it? Including an online Funding database with thousands of grants, loans and schemes available to you.
- **Networking** – With thousands of members, from a variety of sectors and with differing skills Flying Start Online opens a vast network for you to use.
- **Marketplace** – A chance to buy and sell your products and services, search for needs your business requires or offer your skills to others
- **Ask an Expert** – with a range of different experts from areas such as finance, marketing, Patents and social enterprise use the ask the expert section to find out answers to those questions that you are struggling to answer

Members on Flying Start Online get a personalised system with your own homepage, email facility and use of all the online resources. As a member of Flying Start Online we also keep you informed of the help available and let you know when the Flying Start Rallies and Programmes are coming round. .
