

Programme Aims

*The key aim: To get those attending **trading within 12 months** of the Programme.*

For those already trading the Programme aims to push forward your business

Specifically the Programme aims to ensure that participants:

1. Understand how you will make **money** from your enterprise.
2. Have a basic understanding of **networking** and its importance.
3. Establish and/or develop links to national networks so business **support** can be accessed.
4. Establish a comfortable working relationship with your **mentor**.
5. Receive **training** on financial issues/decisions and practical aspects of business.
